

July 5, 1978

Dear Harold,

Thanks for your letter of the 17th.

Here are the two documents you requested, in their FBI-sanitized and unsanitized forms. You should have the sanitized versions in section 1 of the 105-82555 file. As indicated, the unsanitized version of the memo with the Mexico information was released by the Secret Service, before March 1977. As I understand it, Lane got this in a big batch from the Secret Service, but didn't notice it; Freed discovered it when he was in Washington around 3/1/77; he then called me, quite excited. They gave a copy to Lardner, who sent a copy to me late in ~~XX~~ April.

I don't have a handy record of when I got the change of address card from the Archives, but I'm pretty sure ~~xxx~~ it was around 1970, plus or minus 3 years. If someone wants to ask at the Archives, I'm pretty sure you will find out that it was never withheld. (It's FBI Exhibit D-21.) It seems to have made its way to the ~~xxx~~ Archives without either a request for withholding or an explanation of the source. (Incidentally, I think that what the New Orleans office had - and what the Archives has - is the original card, not a copy. It appears that the FBI was passing the original around to avoid having too obvious a record of what they had stolen from the ~~Wx~~ Worker, or retrieved from their garbage.)

By the way, I don't know what CSNY - 48 S means. I guess it's something like Confidential Source NY #48 - Security.

Also enclosed: some more lists of FBI documents. (#313-388 and #527-564).

Assuming HSC activities don't take precedence, I would like to get into the FBI documents ~~xxxx~~ myself sometime after ~~xx~~ September - hopefully, with a microfilm copy out here. Having seen a few pages about myself, I'm curious about what else they might have. Perhaps you could have someone look for any memo they wrote on my ~~x~~ meeting of July 6, 1973 with SA Donohue and a JD lawyer; also, anything about me in June 1970 (a fairly busy month). This isn't worth spending any of your time on, but if you have a visitor who can browse through these files, I would be ~~xxxxxxxxxxxx~~ interested in anything you find.

With best regards,

*Paul*
